

IRON RIVER PUBLIC LIBRARY (Evelyn Goldberg Briggs Memorial Library) LIBRARY EXPANSION

During the spring of 2018, a mural depicting bygone Iron River Landmarks will be placed on the east side of Main Street. It will include the Columbia School, Putnam School, the Duluth South Shore Depot, the Gym, the gazebo and the school bell.

Commemorative “books” will be part of the Mural. These can be purchased to honor loved ones or memorialize a family name. Only the names will appear on the “book spines” (e.g. “John Doe”, not “in Memory of John Doe”).

The cost is \$50.00 per name on “book”.

Books will vary in size as in an actual library.
